Finish Details:

A wide range of standard finishes is available, and custom finishes are available upon request for an upcharge. All wood dining chairs are finished using a 9-step process that enables the chair to perform very well in a commercial environment.

* Fabric requirement for one chair includes the seat and backrest
 * COM (Customer's Own Material) is not recommended because of the fees associated with international customs
 * The estimated fabric requirement is based on 54"W (137 cm) material. The actual amount required may vary depending on pattern, pattern matching, material width or use of multiple fabrics
 * The fabric on the backrest is visible from the rear view of the chair
 * Different fabrics on seat and backrest is possible

Floor Glides:

All chairs ship standard with white nylon floor glides. Optional floor glides include small and large metal, large white nylon and felt.

Mobility Options:

The Kensington Dining Chair is available with casters or in-line wheels on the front legs for an upcharge. In-line wheels have a color option of brown or white, and casters are antique brass. Casters and in-line wheels are factory installed and not available as an aftermarket purchase.

Custom Options:

The Kensington Dining Chair is available without arms.
