### Stacking:

The Brugge Recliner is nonstacking.

### Frame:

Chair frame consists of welded steel tubing for commercial-grade strength and durability. The frame is powdercoated to resist corrosion.

### Recliner Functionality:

Push back to raise the footrest. Lever located on the right inner arm to activate the backrest recline.

### Backrest Functionality:

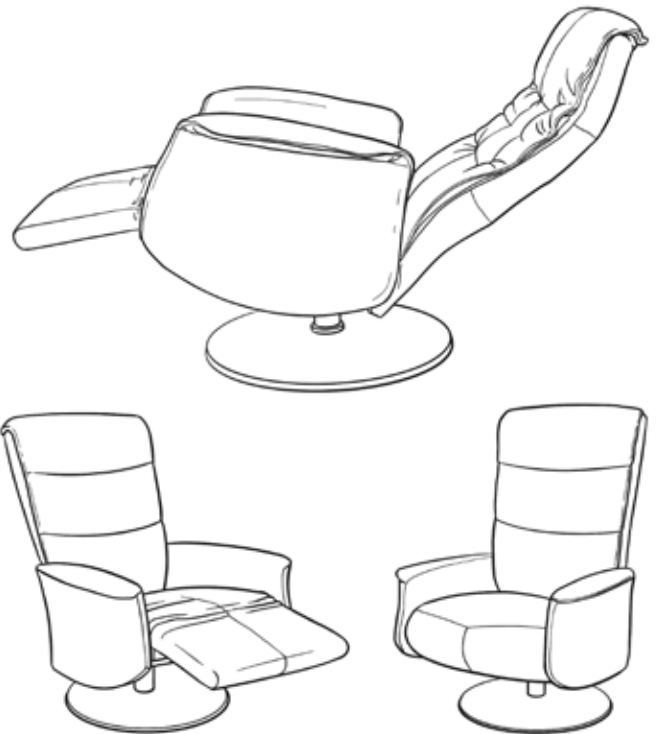

The backrest can be articulated at the headrest for the user's comfort.

### Chair Base:

24" beech plywood base in a dark walnut finish. The chair has the option to be stationary or swivel.

### Fabric Details:

The Brugge Recliner offers three vinyl fabric choices. No other fabrics are available.

### Mobility Options:

The Brugge Recliner is not available with casters.

### Floor Glides:

All chairs ship standard with nylon floor glides.

### Wall Clearance:

Backrest must be 16" away from the wall when the chair is in the upright position.

### Regulations:

All chairs are CA117-2013 and CARB II certified. Chairs pass BIFMA X5.5 2014 Seating Standards.

### Warranty Information:

5-year limited warranty on the chair frame and parts.  
2-year limited warranty on the seat and backrest foam.  
2-year warranty on fabric.
