

## Fontenelle LED Overbed

### Features:

The Fontenelle overbed is a contemporary style with natural wood accent for any indoor décor wall mount application. This fixture is suitable for horizontal wall mount in vast areas. Conveniently integrated pull chain switches are essential to operate nightlight, up light and down light to meet any tasks.

### Construction

The housing is die formed from 22-gauge steel and is provided with standard mounting holes and wiring access.

### Finish

Natural wood accent in espresso or weathered gray finish.

### Diffuser

The top and bottom diffuser is made from 0.10" white acrylic sheet. The front and sides are double laminated. Lumafuse™ fabric in jute or linen white.

### Electrical

Input 120VAC / 60 Hz, 0.7A max. Not compatible with dimmers.

### LED

Integrated LED modules capable of producing a total of 4050 source lumens for 38" or 5400 source lumens for 50" in 3000K CCT. Rated for 50,000 hours and 90 CRI.

### Certification

cETLus listed for damp locations. ADA compliant.

### Options

4-way pull switch or wall switch (refer to Ordering Information below).

### Warranty

Limited warranty: This fixture is free from defects in materials and workmanship for a period of 5 years from date of purchase.
