Maxwell Thomas® Evanston Collection

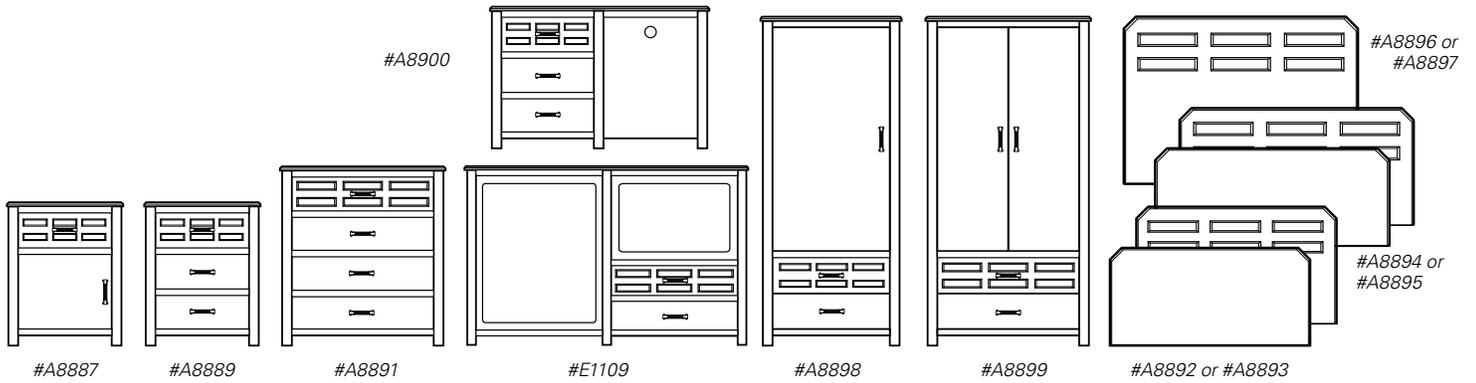

The Evanston collection features Arts and Crafts style with seamless thermolaminate surfaces that are highly resistant to moisture penetration, denting, cracking and chipping. Leveling glides easily adjust for uneven floors, while drawer stops help prevent accidental removal for increased resident safety. Backs of bedside cabinets, chests and wardrobes are vented for airflow. Choose from a single finish or two-tone finish for contrast and visual appeal. Optional faux-stone tops feature the high-end look of stone with the durability of seamless thermolaminate construction. Choose from three easy-to-grasp fixed hardware options.
